

Cactus Moon Education, LLC.

Understanding Green Technologies

January 13, 2018

To whom it may concern:

Cactus Moon Education, LLC has been dissolved as a company; however, the www.cactusmooneducation.com website remains fully functional.

The materials provided on the website were originally developed by Janet Crow and Peter Johnston and Janet and Peter transfer all rights to the website materials to Clean Energy Consulting & Education, LLC. (CEC&E)

CEC&E will bear the cost of continuing the Cactus Moon website, will continue to provide free downloads of the contents of the website and will assume the on-going web site maintenance.

CLEAN ENERGY CONSULTING & EDUCATION

Our Mission: Provide our clients with accurate and timely analysis, of and information on, clean energy technologies, resources and related educational topics
